**MOTION TO TERMINATE THE HEARING**

1. On October 11, 2018, the Enforcement Bureau (Bureau) commenced a hearing proceeding before the then Chief Administrative Law Judge to determine whether Ministerios El Jordan (Jordan) is qualified to be and to remain a Federal Communications Commission (Commission) licensee and, as a consequence thereof, whether its license for Low Power FM Station (LPFM) KEJM-LP should be revoked, and its pending application denied.<sup>1</sup> For the reasons set forth below, the Chief, Enforcement Bureau, through her attorneys, respectfully requests that the Administrative Law Judge terminate the hearing proceeding and certify the case to the Commission.

<sup>1</sup> See *In the Matter of Ministerios El Jordan*, Order to Show Cause, Hearing Designation Order and Notice of Opportunity for Hearing, EB Docket No. 18-239, DA 18-834 (rel. Oct. 11, 2018) (HDO).

## BACKGROUND

2. Jordan is a non-profit organization that was first incorporated in Missouri in September 2009.<sup>2</sup> Jordan applied for a construction permit for a new LPFM station on October 25, 2013, by submitting Commission Form 318 (October 2013 Application).<sup>3</sup> Section II, Question 3(a) of the Commission's Form 318 asks the applicant to identify, *inter alia*, "each party to the application including, as applicable, the applicant, its officers, directors, five percent or greater stockholders, non-insulated partners, members, and all other persons and entities with attributable interests" and their citizenship.<sup>4</sup> In the October 2013 Application, Jordan responded to Section II, Question 3(a) by identifying as "board members" with an equal percentage of votes, the following individuals: Eliud Villatoro, Johana Villatoro, Timoteo Garcia, Marlon Fuentes, and Tomas Calgua. In response to the citizenship inquiry in Section II, Question 3(a), Jordan answered "US" for each of these five individuals.<sup>5</sup>

3. Jordan filed a minor modification application on January 10, 2017,<sup>6</sup> notifying the Commission that the transmitter site specified in the October 2013 Application was unavailable, specifying new transmitter coordinates, and stating that the station was ready to broadcast at the new coordinates.<sup>7</sup> In response to Section II, Question 3(a), Jordan again identified Eliud Villatoro, Johana Villatoro, Timoteo Garcia, Marlon Fuentes, and Tomas Calgua as board

members and identified each as a United States citizen.<sup>8</sup>

4. Jordan filed another modification application on November 20, 2017 (November 2017 Modification)<sup>9</sup> notifying the Commission that the studio location and mailing address had changed and requesting certain engineering changes.<sup>10</sup> In the November 2017 Modification, Jordan again identified Eliud Villatoro, Johana Villatoro, Timoteo Garcia, Marlon Fuentes, and Tomas Calgua in response to Section II, Question 3(a) and represented that each was a United States citizen.<sup>11</sup> This application is pending before the Commission's Media Bureau.

5. On January 24, 2017, the Commission received a complaint asserting that four of the five board members that Jordan had identified in each of its Commission applications were not United States citizens.<sup>12</sup> The Bureau initiated an investigation and determined that there were substantial and material questions of fact as to whether (i) Jordan repeatedly made misrepresentations to and/or lacked candor with the Commission in its submission of various applications in connection with Station KEJM-LP concerning the citizenship and identity of its board members; (ii) aliens (non-United States citizens) owned or voted more than one-fifth of Jordan's capital stock in violation of Section 310(b)(3) of the Communications Act of 1934, as amended (the Act);<sup>13</sup> (iii) Jordan failed to maintain the continuing accuracy and completeness of information furnished in its still pending November 17 Modification; and (iv) Jordan failed to respond to Commission requests for information. As a result, the Bureau designated the matter for hearing.<sup>14</sup>

6. Jordan did not enter an appearance in this proceeding.

### **JORDAN'S FAILURE TO APPEAR**

7. Section 1.221(c) of the Commission's rules (Rules) states that, when an application has been designated for hearing, if the applicant fails to timely file a written appearance stating that it will appear on the date fixed for the hearing and present evidence on the issues specified in the hearing designation order, that application "will be dismissed with prejudice for failure to prosecute."<sup>15</sup> In the case of a revocation proceeding, the respondent must similarly file a written notice of appearance.<sup>16</sup> Failure to do so in a timely manner constitutes a waiver of the party's right to a hearing.<sup>17</sup> Section 1.92(c) of the Rules further provides that, when a hearing is waived, the Presiding Judge "shall, at the earliest practicable date, issue an order reciting the events or circumstances constituting a waiver of hearing, terminating the hearing proceeding, and certifying the case to the Commission."<sup>18</sup>

8. Pursuant to Paragraph 30 of the HDO, Jordan was required to file a written appearance "stating that it will appear at the hearing and present evidence on the issues" within 20 calendar days of the release of the HDO.<sup>19</sup> The HDO further stated that, if Jordan failed to timely file a written appearance, a petition to dismiss without prejudice, or a petition to accept for good cause shown an untimely written appearance, "its right to a hearing shall be deemed to be waived [and] the captioned application shall be dismissed with prejudice for failure to prosecute."<sup>20</sup> The HDO was released on October 11, 2018. Accordingly, Jordan's written notice

of appearance was due no later than October 31, 2018. Jordan did not file a written appearance or any other petition with the then Presiding Judge by that date.

9. Pursuant to Section 1.221(c) of the Rules, therefore, Jordan's pending November 2017 Modification shall be dismissed with prejudice for failure to prosecute. Furthermore, since Jordan waived its right to a hearing pursuant to Section 1.91(c) of the Rules, the Bureau respectfully requests that the Presiding Judge issue an order reciting the events or circumstances constituting a waiver of the hearing, terminating the hearing proceeding, and certifying the case to the Commission.

### **JORDAN'S DESIRE TO SURRENDER ITS LICENSE**

10. Instead of filing a written notice of appearance or any other type of submission in the hearing proceeding, it appears that Eliud Villatoro, on behalf of Jordan, filed a letter with the Commission surrendering Jordan's license for Station KEJM-LP.<sup>21</sup> In this letter, Jordan appears to concede that it was being controlled by non-citizens and had thus violated the Commission's alien ownership rules.<sup>22</sup> The letter also confirms that Jordan received the HDO. Specifically, the letter states "[y]our Order dated October 11, 2018 was the first indication I had that there was a problem."<sup>23</sup> As such, it appears Jordan was, or should have been, fully aware of its opportunity to appear in this proceeding.

### **CONCLUSION**

11. Accordingly, because Jordan failed to file a timely written appearance, the Bureau respectfully requests that the Presiding Judge dismiss Jordan's pending application for

re: KEJM-LP, Carthage, Missouri, Fac ID 194038

Gentlemen:

On behalf of Ministerios el Jordan, of Station KEJM-LP, I am surrendering the station license for cancellation. The station has stopped broadcasting.

In 2013, we were approached by Leo Ashcraft who identified himself as a qualified consulting engineer. He said that we could apply for a new a low power FM radio station and said he would prepare the application for filing with the FCC. Not being familiar with FCC rules, I told him to go ahead. He completed the application and sent it to the FCC, signing my name. I am not fluent in English and did not review the application before hand, as I would not have understood its questions.

Your Order dated October 11, 2018, was the first indication I had that there was a problem. I consulted with a knowledgeable FCC attorney who informed me that the group, being controlled by non-citizens, was generally not eligible to own a radio station, and suggested that we surrender the license. We did not intend to make untrue statements to the FCC, nor to obtain a license for which we were not eligible. We apologize for any mistakes.

Sincerely,

(signature)
